April Meeting

We were out of town so we missed the April meeting but I was told it was a good meeting Tootsie did a great job on presenting Character development

Mark Reid

Flowers has been working hard to arrange for Mark Reid to do a seminar in Utah the third week in August. This will be a fantastic opportunity for face painters in this area. I don't believe we have ever had a person of his caliber teaching face painting in this part of the west. A \$75 deposit will hold a spot for you. Each class will be limited to 14 people. There will be lots of one on one. The day long seminar will be \$150 dollars Two days will be \$300

WRCA 2009 Convention

Please start saving so you can come with us this year. David Ginn is going to be the Headliner. He is a well known Children performer. Also Steve Kissell will be there as well as Jodi Carr from Wolfe Brothers. For more information go to <http://westregionclowns.org/index.html>

The Older Crowd

Aging: Eventually you will reach a point when you stop lying about your age and start bragging about it.

The older we get, the fewer things seem worth waiting in line for.

Some people try to turn back their odometers. Not me! I want people to know "why" I look this way. I've traveled a long way and some of the roads weren't paved.

When you are dissatisfied and would like to go back to youth, think of algal

You know you are getting old when everything either dries up or leaks.

One of the many things no one tells you about aging is that it is such a nice change from being young.

Ah, being young is beautiful, but being old is comfortable.

First you forget names, then you forget faces. Then you forget to pull up your zipper. It's worse when you forget to pull it down.

Long ago when men cursed and beat the ground with sticks, it was called witchcraft. Today, it's called golf.
