I'm not going back to school ever again
Why ever not ? The teacher doesn't know a
thing, all she does is ask questions !
Teacher: How can you make so many mistakes
in just one day ? Pupil: I get up early !

September Alley Meeting

Our September Alley meeting will be back at Hires The topic will be Story telling We have some professionals coming in to teach it. Rachel Hedman will be coming with some others from the Storytelling Guild. In return they have asked us to go to their meeting Sept 9th to teach them about clowns

Mother: How was your first day at school
Son: It was all right except for some man called "Teacher" who kept spoiling all our fun !
Teacher: If this class doesn't stop making so much noise I'll go crazy? Class: Too late, we haven't made a sound for an hour

Face painting Guild

The group of face painter who attended Mark Reid's seminar want to start an informal face painting guild. The first meeting was in Germania Park in Murray Sept 1st The second one will be in October at Denny's Anyone who want to improve their skills is welcome.

Why were you late ?

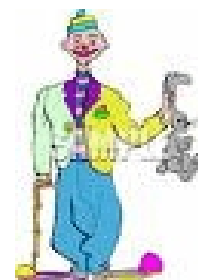

Sorry, teacher, I overslept.

You mean you need to sleep at home too !

I didn't do my homework because I lost my memory When did this start ? When did what start !

David Ginn

The local chapter of IBM (International Brother of Magicians) is bringing David Ginn to Utah He is a fabulous entertainer specializing in school shows. He will be doing his new KIDBIZ live workshop from 10-3 at the Swinyers House. It is \$35 per person in a family all others in family are free. You will also receive "stuff" for your entrance fee He will be here October 18th For more information email president@utahmagic.org Keith Huber 801-870-9446

Teacher: What's big and yellow and comes in the morning to brighten a mothers day ?

Pupil: The school bus !

What would happen if you took the school bus home ? The police would make you bring it back

Balloon Jam

The next balloon Jam will be in October. We will email everyone the details

Our teacher talks to herself does yours ?
Yes, but she doesn't realise it, she thinks we're actually listening !

When I was your age I thought nothing of walking 5 miles to school

I agree, I don't think much of it myself !

WRCA 2009 Convention

We are hoping all of you can join us for WRCA
The theme for the party is Over the Rainbow
We need a creative idea for the alley David Ginn is going to be one of the Headliners at WRCA. . He is a well known Children performer. Also Steve Kissell will be there as well as Jodi Carr from Wolfe Brothers. Find more information at westregionclowns.com

Teacher: What time do you get up in the morning ?
About an hour and a half after I arrived at school

Mother: How do you like your new teacher?

Son: I don't. She told me to sit up the front for the present and then she didn't give me one !

Clown Week Picnic

Our picnic was windy but fun We saw some friend that we had not seen in awhile it was good to see everyone

Mother: Does your teacher like you ?

Son: Like me, she loves me. Look at all those X's on my test paper !

Son: I'm not going back to school tomorrow !

Father: Why not ? Well I've been there a whole day, I can't read, I can't write and they won't let me talk, so what's the use ?

Essential Homework Excuses

I lost it fighting this kid you said you weren't the best teacher in the school I was mugged on the way to school and the mugger took everything I had Our puppy toilet trained on it Some aliens from outer space borrowed it so they could study how the human brain worked I put it in a safe, but lost the combination I loaned it to a friend, but he suddenly moved away Our furnace stopped working and we had to burn it to stop ourselves from freezing I left it in my shirt and my mother put it in the washing machine I didn't do it because I didn't want to add to your already heavy workload My little sister ate it A sudden gust of wind blew it out of my hand and I never saw it again I was kidnapped by terrorists and they only just let me go, so I didn't have time to do it The lights in our house went out, and I had to burn it to get enough light to see the fuse box Another pupil fell in a lake, and I jumped in to rescue him. My homework though drowned. I used it to fill a hole in my shoe, you wouldn't want it now My father had a nervous breakdown and he cut it up to make paper dolls My pet gerbils had babies, and they used it to make a nest I didn't do it, because I didn't want the other kids in the class to look bad I made a paper plane out of it and it got hijacked ET stopped by my house and he accidental
