COAI Convention in Utah

For the last year we have been discussing weather or not to bid for 2010 Clowns of America International Convention. Candy Will the COAI rep that represents this part of the country has been very anxious to bring the convention west. At the last meeting we voted to submit a bid for the 2010 convention. This will be a lot of work and we need everyone help with it. We will need a committee to talk to some Hotels and see what facilities are available and what would best meet our needs
