Klown Kollege II

Klown Kollege II was a lot of fun for all those
who attended. We only had a few people
from outside the alley, but they were great
people. I think all of those in the alley who
helped to put it on benefitted. Some of
them, I am sure were way out of their
comfort zone but everyone did great. Those
alley members who attended learned a lot.

Special thanks to:

Winks for publicity and teaching,

Howdy for preparing the wonderful lunch,

TV Remote

Some of our braver clowns went to an early morning TV remote to publicize the Klown Kollege. It was held on Presidents Day. It was live from the costume closet. They all had a lot of fun interacting with Big Buddah from Fox 13. Thanks to Hugo, Popcorn, Winks, Howdy, Newsy and Buttons for making an effort to be there at such an early hour in costume.

Why do we paint Easter eggs? Because it's easier than trying to wallpaper them!

How does the Easter Bunny paint all of those eggs? He hires Santa's elves during the off-season.

Did you hear about the farmer who fed crayons to his chickens? He wanted them to lay colored eggs!

Gone But Not Forgotten

I got a email from Joyce Carpenter She is settling in to her new area and seem to really like Kansas City. She wanted to me to tell everyone hi.

Where does the Easter Bunny go when he needs a new tail? To a re-tail store!

Alley Photo Shoot

Would anyone be interested in a alley photo shoot when the weather warms up. We could do a fun group picture, as well as individual shots of each clown that desired them. If we do it with a digital camera we could do this at very little cost to each individual, and give each participant a disk of their pictures.

Do leprechauns get angry when you make fun of their height? Yeah, but only a little!

Why did the Irish tenor stand on the chair? So he could reach the high notes!

Hopefully this newsletter will be on the alley web site before you receive it in the mail. There have been a few problems to work out. We will notify you
