As webmaster for the past 1 1/2 years I have been working to bring more added value to the website and the association

I have been working with Carol to post the monthly newsletter to the website which has saved us money in paper and stamps and ink.

I have added a classified section to the website as well as a message board for members of Utah Jesters to blogg. This year I have sent out an email letting members know that we will start posting there names a table format with photo as a way to advertise for them. We have only had one who responded, We will again send this out with a link for all member to have this opportunity as added benefit to bring added revenue to your business.

My plan if re-elected will be making a login site for as a added benefits for members only.

This year we plan to add many more items to our website such as a chat room, and other articles available.

I will dumb down the website to make user friendly and searchable on google and other search engines.
